

WAVELENGTH PRAYER GUIDE FROM GRNUK

“TELLING THE STORY OF JESUS IN EVERY LANGUAGE”

APRIL 2026

Wed 1st The response to Kulumi players in a Prison, has been very positive. One of our volunteers is now writing to other Prison Chaplains to make them aware of what we can offer. Pray that many will catch the vision for this.

Thu 2nd Pray for Sanjay as he prioritises the many demands on his time over the busy Easter period.

Fri 3rd Good Friday

Sat 4th Pray that many will hear the good news this Easter and will respond to the great love Christ demonstrated by His death and resurrection.

Sun 5th Easter Sunday

Mon 6th Pray for Sam, European Director, as he recovers from a busy month in March with the International Leadership and European team meetings. Pray that Easter will be a time of refreshment for him and his family.

Tue 7th Alfred in Germany recently attended a conference with 6000 young people; pray that those who heard about our work will remember and use 5 Fish to reach out to those they meet who speak in other tongues.

Wed 8th GRN Australia are producing materials, including audio Bibles for evangelism and teaching, in Aboriginal languages. Pray that Aboriginal people will have access to Scripture and good teaching in the languages they understand.

Thu 9th The team in Pakistan are hoping to record in all the languages and dialects in their country over the next few years. Pray the Lord will protect them as they travel and enable them to make effective recordings with good language helpers.

Fri 10th There are very few resources available in Flemish; although the Flemings can understand Dutch, it is not their own tongue. Pray for David who is working on recording New Testament books in Flemish.

Sat 11th We have sent 30 Kulumi MP3 players in the Berber language to Morocco with a missionary travelling into the mountain regions. Pray for God's protection over the journey and ministry, and that these GRN resources will clearly share the message of Jesus with those who have not yet heard.

Sun 12th We thank God that Graham S has made all our recordings available on YouTube. Pray that many will listen in their own language and respond to the Gospel.

Mon 13th Pray for Joel and Judith in Spain and for the volunteers working with them in Malaga, Barcelona and Madrid. Pray also for the project to record the Tumi Tiger script in Spanish.

Tue 14th Pray for staff in Australia as they consider whether AI can be used to further our mission to tell the story of Jesus in every language. Technology can be used for both harm and good; pray it will be used in the service of truth.

Wed 15th Pray for Jeremie as he seeks to build strong relationships with colleagues in West Africa. He recently visited GRN colleagues in Togo, Benin and Cameroon on behalf of GRN Switzerland and is planning future visits to other bases. Pray also for Paule as she works to increase awareness of GRN in Switzerland.

Thu 16th Germany, South Korea and Canada are all seeking new leaders. Pray that the Lord will call the right people to these important roles.

Fri 17th We currently have no workers in Eastern Europe, although Belgium has a long-standing relationship with partners in Ukraine. Pray that Sam will have opportunities to meet future partners or co-workers in the area.

Sat 18th Pray for Sam as he plans for future conferences and encourages the European centres and bases in their work.

Sun 19th We thank the Lord for Tim Strauss, the International Director. Pray for blessing for him and his family, and for safe travel as he visits GRN workers across the world. May he know God's love and guidance in his work.

Mon 20th Pray for Sanjay and Mary and their family, and for Sanjay's church. Pray that they will know the Lord's presence and love among them.

Tue 21st Darlene in South Africa asks for prayer for Jacobus and Kathleen as they prepare two new scripts, and for the team as they prepare much-needed resources for Uganda, Congo and Ukraine.

OVER 6,500 LANGUAGES RECORDED

Wed 22nd Pray for the team in Thailand as they research new recordings and review older ones to ensure they still meet the needs of hearers among the Mon people group.

Thu 23rd Please pray for the GRN UK Board as they meet today. Pray that all decisions made will be in line with the will of the Lord.

Fri 24th Pray for Joshua in Nigeria as he researches and prepares for new languages. Pray also for protection and safety; violence is widespread in the north of Nigeria where GRN is based.

Sat 25th Pray for the team in the Netherlands, that the recording of the Gospel in Dutch Sign Language will be used to reach many in this often overlooked community.

Sun 26th Pray for Walter, James and Monica in Kenya, that they will know the Lord's guidance as they make plans for future recording and distribution.

Mon 27th Graydon is now in charge of scripts; pray for wisdom as he seeks to identify scripts that will communicate clearly to people today. The message does not change, but we need to present it effectively in a changing world.

Tue 28th Pray for GRN staff working in countries and areas where the government is hostile to Christianity. Pray for faith, courage and protection.

Wed 29th Pray for our partners in India working to record new languages and dialects. India, Indonesia and Papua New Guinea have the highest number of unrecorded languages.

Thu 30th Pray for GRN recordists in Indonesia as they seek to record the many languages in that country. Pray that they will make the story of Jesus available to many who might otherwise never hear.

If you talk to a man in a language
he understands, that goes to his head.
If you talk to him in his language,
that goes to his heart.

How It Works

- Solar powered audio players & 5 Fish App
- Bible stories, Gospel messages & audio Bibles
- Used in villages, prisons, mission trips and remote areas
- Shared through local believers & missionaries

Real Lives, Real Change

- A prisoner listens and finds hope.
