

WAVELENGTH PRAYER GUIDE FROM GRNUK

“TELLING THE STORY OF JESUS IN EVERY LANGUAGE”

SEPTEMBER 2026

Tue 1st As the new academic year starts in the Northern Hemisphere, pray that the Holy Spirit will guide GRN folk as they make plans for the coming year.

Wed 2nd Over the next six months, many players with Gospel messages will be distributed in rural areas of Burkina Faso. Pray for them to bring an effective witness to many, and also for safety for those involved in a country where Islamists have been active against local Christians.

Thu 3rd Pray that prison chaplains, contacted by our volunteer Ambassador Brian, will get the vision for using our recordings to reach the many in our prisons. Pray also for those who have already received players, that the Lord will speak to them through the materials on them.

Fri 4th The International Leadership Team has a vital role in supporting and encouraging the work across the world and making decisions which affect more than one country. Pray for wisdom, unity and clear guidance from the Lord.

Sat 5th Pray for Time Strauss as he leads the ILT and also visits centres across the world to encourage and guide local teams.

Sun 6th Thank the Lord that 200 Kulumis have safely reached the Pastor in Bhutan, one of our prayer points last month. Pray he will be kept safe and guided to give them to those whom the Lord has prepared, and that they will bring many to a saving faith in Christ.

Mon 7th We thank the Lord for Sam and Rakil Paul, who have faithfully and wisely led the team in Pakistan for 23 years. Sam is now handing over leadership to Salas. Pray the Lord will continue to bless the Pauls and the Pakistan team at this time of transition.

Tue 8th Pray for Salas as he takes up leadership from Sam and also continues his work for the deaf community, which has led to the establishment of 12 churches for the deaf in Pakistan. A recent discipleship training course was attended by 178 deaf people.

Wed 9th Pray for the Lord's blessing on Sam and Mary Bouix and their family, and for his daughter-in-law's continued rehabilitation following a horrific accident.

Thu 10th Sam is looking to the Lord to provide the funds to pay for the Kulumis distributed in Ukraine this summer. Pray the Lord will provide through His people.

Fri 11th Pray for Walter and his team in Kenya. They recently did a distribution, in partnership with Samaritan's Purse, to 59 Sunday school teachers, pastors and teachers. Pray this will have a real impact, helping children in their knowledge of the Bible and in developing their relationship with God.

Sat 12th Pray for James, GRN Kenya, as he travels to South Africa to assist Kathleen, a trainee recordist there, in two recording projects.

Sun 13th We thank God for the vision and dedication of the GRN team in South Africa, led by Darlene. Pray the Lord will provide for their financial and other needs and keep them safe in high-crime areas.

Mon 14th GRN UK staff and Board will meet today, online, for prayer. Pray they will be sensitive to the leading of the Holy Spirit to pray for things close to God's heart.

Tue 15th Pray for Sanjay and Mary as they lead the work of GRN while also pastoring their church. Pray the Lord will bless them and lead them in His way.

Wed 16th Pray for Sanjay, Linda and the team as they seek to promote the work of GRN in local churches and also to potential users of the materials we can provide.

Thu 17th Pray for Linda personally and that the Kulumis, which she loads with language materials appropriate for their planned destination, will be instrumental in reaching many with the good news of God's love.

Fri 18th Pray for Bryan, who asks for prayer for wisdom and discernment as he leads the development of the work of GRN in the USA.

OVER 6,500 LANGUAGES RECORDED

Sat 19th Sam is speaking at a church weekend in the South of France this weekend. Pray it will be a time of growth and encouragement for all those who attend, and that they will also be inspired to support the work of GRN in prayer.

Sun 20th David gives thanks that 13 New Testament books have now been recorded in Flemish, the main language for a large part of Belgium. Pray for the progress of this recording and for David as he leads this project.

Mon 21st Pray for the project to record the Tumi Tiger script in German. Pray also for the Lord to call someone to lead the work there.

Tue 22nd GRN teams from South Korea were instrumental in recording many minority languages in China, but the work there is now in abeyance. Pray the Lord will call someone to restart the work of GRN in this missionary-minded country.

Wed 23rd Pray for Paule and Jeremie and the work of GRN Switzerland, who have a major role in supporting work in Francophone Africa.

Thu 24th Marian and the team in the Netherlands are also encouraging the use of Kulumis in their prison system. Pray many will get the vision for this and that many prisoners will respond to the good news in their heart language.

Fri 25th The Kenya office recently suffered a break-in, losing expensive equipment. Pray for the Lord's protection for all GRN buildings and staff, many of whom are based in areas where violence and/or crime are endemic.

Sat 26th Pray for Joel, Judith and the work of the team in Spain. May many churches and individuals get a vision for reaching out to migrants and refugees in their own languages.

Sun 27th We praise God that all our recordings are now available on YouTube as well as our own websites and the 5Fish app. Pray that many who have no other access to the Gospel and Bible teaching will access our messages in their heart language and hear of their Saviour.

Mon 28th Pray for the Information Systems team as they work on improving and safeguarding the technology that makes our work so effective in reaching all nations and language groups.
