

WAVELENGTH PRAYER GUIDE FROM GRNUK

“TELLING THE STORY OF JESUS IN EVERY LANGUAGE”

OCTOBER 2026

Thu 1st The distribution of 10,500 audio Bibles in local languages and Arabic is continuing in Burkina Faso for the next few months. Pray for the safety of those distributing the Bibles, and that they will strengthen Christians and also bring some of the jihadists to a knowledge of Jesus.

Fri 2nd Pray for GRN Belgium as they work on recording some materials in French and represent GRN at a Belgian evangelical church convention on 11 November.

Sat 3rd Pray for Sanjay, Mary and their family, and for wisdom as they work out the priorities in their many responsibilities. Pray for physical and spiritual health as they seek to do the Lord's will.

Sun 4th Dionara in Namibia gives thanks that, after three weeks of intensive work, they have managed to record 11 Old Testament books in the Otjiherero language. They now hope to record a script summarising the story of Scripture in the same language. Praise the Lord.

Mon 5th Pray for Sam, Mary and their family in France, and for wisdom for Sam as he leads the work in Europe and also serves in international leadership.

Tue 6th Pray for a collaborative effort to record in French between GRN Belgium and a recordist from Australia.

Wed 7th Marian in the Netherlands asks for prayer for more opportunities to distribute Kulumis and for the safe arrival of Kulumis sent to Malawi and other destinations. She is praying for opportunities to distribute players in prisons in the Netherlands and in Albania.

Thu 8th Graydon asks for prayer for a partner in India, Paul, who is preparing a script of Bible stories and parables designed to reach Hindu 'holy men'. Pray also for the recording and production of these materials, and that they will have an impact on those listening.

Fri 9th Pray for the country of Nepal, which has suffered such devastation recently, and for the staff of GRN as they seek to serve the Lord there.

Sat 10th Today Sanjay will be speaking at a regional conference for Good News for Everyone, previously known as the Gideons. Pray that many will catch the vision for using 5Fish to reach out to those who do not communicate easily in English.

Sun 11th Thank the Lord that we have had positive responses from several UK prisons. Pray that many who receive the players will respond to the Gospel they hear, and that more prison chaplains will respond to our offer and reach out to those for whom English is not their mother tongue through our materials. We send in players made from transparent plastic, so that the authorities know they are not being used to smuggle anything into the prison.

Mon 12th Pray for the recording of another podcast in the Netherlands, and that those who listen to these podcasts will hear the Word of the Lord speaking through this medium.

Tue 13th Pray for Tim Strauss, International Director, that he will have great wisdom and be guided as to how best to support and encourage GRN staff in many countries.

Wed 14th Pray for GRN in Germany, and that the Lord will call someone to work full-time to develop the work there. Pray also that the Lord will bless the work that is being done now.

Thu 15th Pray for Dalene and her team, Kathleen, Melody and Jacobus, in South Africa. Pray for their health, support and the Lord's leading in their work.

Fri 16th Pray for the work of GRN Switzerland, for Jeremie and Paule, and that the Lord will provide the funds needed for the support they give to GRN Centres in West Africa.

Sat 17th The team in the USA is documenting the work of one of our partners, who set up 'listening groups' in a sensitive Asian country. Many of these have now developed into house churches. The US team hopes to use their experience to encourage others who are using our materials to reach out in this way. Pray for this initiative.
