WAVELENGTH PRAYER GUIDE FROM GRNUK

"TELLING THE STORY OF JESUS IN EVERY LANGUAGE"
NOVEMBER 2026

Sun 1st Praise the Lord that David Sinden has come from Australia to record the Tumi Tiger script in French and in West African French. Sam has been working towards this for some time. Pray that these recordings will help many children to put their trust in Jesus Christ.

Mon 2nd Pray for Sanjay and Mary as they lead GRN UK. Pray for wisdom and open doors.

Tue 3rd Pray for the team in Nepal, who are involved in food distribution following the recent disaster. Pray that many will see God's love at work in and through them and turn to Christ. Pray for the country as it struggles to recover.

Wed 4th GRN Australia is currently building new recording studios. Pray that the building work will go well and that, once completed, the studios will enable many recordings to be made in the multilingual Sydney area where the team is based.

Thu 5th Pray for Dionara, who has come from Brazil to help with recording and to train local oral Bible translators in Namibia and Angola, where Portuguese is used, as it is in Brazil. Pray for good health and safety, and for strong relationships to develop with partners in both countries.

Fri 6th GRN Mexico is distributing recordings to agricultural workers during the harvest in the Baja region. Pray that many will respond to the Gospel when they hear it in their heart language.

Sat 7th Pray that Sanjay and Linda will have many opportunities to speak to churches, mission organisations and individuals across the UK about the materials GRN provides to help them share the Gospel with people in their mother tongue.

Sun 8th Give thanks that GRN has centres and bases in more than 40 countries. Pray for God to strengthen these teams, for good partnerships with local churches and for effective ministry.

Mon 9th The Board meets today. Pray for vision to see things as the Lord sees them and for wisdom in every decision.

Tue 10th Pray for Bryan and the team in the USA as they seek to make GRN's work better known and provide support for the work worldwide.

Wed 11th Pray for Linda as she loads Kulumis with the languages needed and reaches out to local churches. Pray that more churches will learn about GRN and the tools we provide to help them reach their neighbours and strangers with the Gospel.

Thu 12th Pray for Sam and Mary and their family. Ask the Lord to guide and provide for Sam in his work.

Fri 13th Pray for Brian, our volunteer, who is contacting prison chaplains about using Kulumis to tell prisoners about Christ. Kulumis are made from transparent plastic so that prison authorities can see they are not being used to smuggle any banned items into prisons.

Sat 14th The Information Systems (IS) team in Australia is working to make the full 5Fish app available on iOS. The current iPhone version does not include all the features available on Android. Pray for the team as they work on this task to update, and that it will be completed within the next few months.

Sun 15th We thank God that our computer systems have so far been protected from malicious attacks. Threats are increasing daily, with artificial intelligence making them more sophisticated. Pray for wisdom and perseverance for the IS team, led by Rob McDonnell, as they work to keep our systems safe.

Mon 16th Milton and Moloy have travelled from Bangladesh to the Philippines for further recordist training with the experienced team there. They are eager to tell the story of Jesus in the languages of their nation. Pray that the Lord will give them the knowledge and skills they need for this task.

Tue 17th Pray for Salas, who has taken over the leadership of GRN Pakistan and is also leading the work to reach the 10 million deaf or hard-of-hearing people in his country. Pray for the 20 churches for deaf people that have been established as a result of this ministry.

Mon 30th Ministry of any kind can expose us to opposition from the evil one. Pray for the protection, health and perseverance of GRN teams and workers as they face the many challenges of the work.

The Gospel Changes Lives

The good news of Jesus is for everyone, in every language, in every place.
Romans 1:16

Lives are transformed
The gospel brings hope, forgiveness and new life.

Communities are strengthened
People are reconciled, families are restored, hope spreads.

Every language matters
Millions still haven't heard the gospel in their heart language.

GRN can help
We record, produce and share the Bible in local languages – so people can hear, believe and follow Jesus.
